ZIPPERS FOR PLANES

Perry School PTA Reports Attendance At District Parley

Perry School PTA was represented at the First District PTA convention held in Pasadena on April 15 by Mrs. A. B. Cowie, president; Mmes. Wes Graham, Jesse Sibley, Harry Van Belleham and George Simonson. A highlight of the convention was a most interesting lecture

by Dr. Gertrude Laws, renowned educator, on "Foundation of Democracy." Dr. Laws stated that in her opinion the most progressive change that can be made in teaching methods is the adoption of the 4-4-4 system. By completely eliminating nursery schools and kindergartens and making it compulsory for children to start school at an earlier age they would have a better chance for adjustment in the world today. The entertainment of the convention was enjoyable, especially the presentation of the "Mothersingers." President Mrs.

Cowie expressed the desire that Perry mothers might participate next year.

Mrs. J. F. Snowden, of Alhambra, who was elected president at the meet, concluded the session with her acceptance of the gavel and her promise to do her utmost for the organization during the ensuing year.
